Hi Lori—Thanks for following up on this. We aren't quite ready to set up a meeting. We have a meeting scheduled with the Governor's office later today. DSL is looking at the criteria now and may have some follow-up work after the meeting today. Hope to be back to you in the next week or so with a better timeline. Lynne

Subject: Portland Harbor Technology Screening Criteria

Hello, Lynne. Do DSL representatives want to meet with EPA on the technology screening or any other topic?
